Academic Board considered the **Research Integrity Annual Report 2024**, noting that the report would be submitted to UniSQ Council for consideration.

### Academic Programs

Academic Board **approved** the following curriculum proposals:

#### Comprehensive Program Review:

### Strategic Discussion: Modes of Teaching and Learning at UniSQ

The Dean (Learning and Teaching Futures) Professor Jo-Anne Ferreira led a strategic discussion around how the University engages with students across the modes of delivery, also known as 'modes of study' and 'modes of attendance', and what this means from a governance perspective. The discussion focussed on strengthening student engagement in learning and proposed new learning modes:

- Online (fully online, both content and teaching)
- On Campus (content online, teaching face-to-face - includes intensive/residential schools)
- Hybrid (content online, teaching face-to-face and online, simultaneously)
- Situated (placements, fieldwork, practicums, Work Integrated Learning)
- HyFlex (content online, teaching is per students' choice).

Extensive student and staff consultation will be undertaken to establish an innovative set of learning modes with a view towards implementation in 2026.
