Service Interruption – Ipswich Campus Mains Power

Due to annual electrical maintenance, there will be a disruption to mains power as listed below:

Date of Interruption	Areas Affected	Time of Interruption
Saturday, 7 November 2026	All Buildings	6.00AM – 4:00PM

Generators will be used during the shutdown to maintain essential services only (emergency lighting, fire systems, etc.) in Buildings A, F, I and H.

ITDS recommends shutting down computers and other electronic devices before the shutdown to minimise potential data loss or damage to assets caused by the planned power outage.

Facilities Management appreciates your patience during this interruption.

If you have any questions, please contact FMHelpDesk@unisq.edu.au on 4631 2627 for further information. For after hours, please contact Campus Safety and Security on 4631 2871.
