Access Interruption - Ipswich Campus University Drive

As the new Health Building nears completion, intermittent lane closures and traffic management activities may occur on University Drive over the coming weeks.

These works are necessary to support final construction and commissioning activities. Traffic controllers and signage will be in place where required. Staff, students and visitors are asked to allow extra travel time and follow all directions provided on site.

Facilities Management thanks the campus community for its patience and cooperation while these important works are completed.

If you have any questions please contact FMHelpDesk@unisq.edu.au on 4631 2627 for further information. For after hours, please contact Campus Safety and Security on 4631 2871.

We invite you to stay up-to-date with service interruptions via our [Facilities Management Notices](#) information page.

The University of Southern Queensland acknowledges the traditional custodians of the lands and waterways where the University is located. Further, we acknowledge the cultural diversity of Aboriginal and Torres Strait Islander peoples and pay respect to Elders past, present and future.
