

FACILITIES MANAGEMENT

Service Interruption - Mains Power - Toowoomba Campus

As part of the University's annual electrical maintenance program, mains power will be interrupted in the locations and times listed below.

Date of Interruption	Areas Affected	Time of Interruption
Saturday 28 November	All Buildings	6:00am - 6:00pm

Generators will be used to maintain essential services (emergency lighting, fire systems etc.) during the shutdown in Buildings C, D, E, K1, K6, K7, Y Annex, P22 - 26, Q, R, S, W and Z3.

ITDS recommends shutting down computers and other electronic devices before the shutdown to minimise potential data loss or damage to assets caused by the planned power outage.

To ensure the safety of staff and students, access to affected buildings should be avoided during this period. Facilities Management appreciates your patience during this interruption.

If you have any questions please contact fmhelpdesk@unisq.edu.au by email or phone 4631 2627 for further information. For after hours, please contact Campus Safety and Security on 4631 2871.

We invite you to stay up to date with service interruptions via our [Facilities Management Notices](#) information page.

The University of Southern Queensland acknowledges the traditional custodians of the lands and waterways where the University is located. Further, we acknowledge the cultural diversity of Aboriginal and Torres Strait Islander peoples and pay respect to Elders past, present and future.
