The sequence of courses with embedded professional experience is shown vertically by specialisation. The BECH is a 3 year qualification that is accredited with ACECQA. The Bachelor of Education programs (BEED, BPED and BSED) allow graduates to be eligible to apply for teacher registration with relevant teaching authorities, and the BEED is accredited with both QCT and ACECQA. At UniSQ, professional experience is a requirement for a course and the specified number of days are stated in the course specification. The Professional Experience Calendar indicates the structure and timing of placements. The placement is an assessable item which is composed of both contextual, academic and practical components.
