What's on Springfield

General Activities, Information Sessions and Tours		
	9.30–10.00am 11.30am–12.00pm Auditorium, Building D	Early Entry and UniSQ Scholarships Find out more about the Early Entry process and UniSQ scholarships, including details about funding sources, eligibility criteria, along with tips and tricks for your application.
	10.00–10.30am Auditorium, Building D	UniPrep Pathway for Years 10 to 12 Learn how UniPrep can prepare you for university while you're still in high school. Gain entry into your dream program, earn QCE* points and be eligible for an early offer! <i>*QCE = Queensland Tertiary Admissions Rank</i>
	10.30–11.00am Auditorium, Building D	University 101 Curious about what university is really like? Hear directly from current students as they share their perspectives on transitioning from high school, offer advice to help you thrive in your first year, and explore how to balance work, life and study. This relaxed session provides an honest and practical look at starting your journey at UniSQ.
	11.00–11.30am Auditorium, Building D	UniSQ Pathways Programs Not sure if you'll meet the entry requirements for your dream degree? This session is for you. Learn about alternative ways to get the ATAR you need, meet program pre-requisites and even earn credit towards your degree!
	9.00am–1.00pm Concourse	First Nations Portfolio The First Nations Portfolio encourages and supports the further education of our Aboriginal and Torres Strait Islander community. The portfolio has a continuing commitment to, and involvement in, the Indigenous community of the region. Discover the wide range of support services available to students.
	9.00am–1.00pm (every 15 minutes) Tours and Information Tent, Concourse	Campus Tours Take a guided tour of UniSQ Springfield and see the facilities available to current students. Tours will be led by Student Ambassadors who can tell you more about what it's like to study at UniSQ!
	9.00am–1.00pm Library, Level 1, Building A	Library Tours (on demand) Visit our friendly staff at the Library Helpdesk.

Study Area Information Sessions

Learn about the programs offered in each of our Study Areas. Academics will take you through how the programs are delivered, what you'll learn and the career opportunities they can provide.

11.30am–12.00pm B210, Building B	Professional Communication
11.30am–12.00pm B203, Building B	Computing
12.00–12.30pm B210, Building B	Galactic Collisions

Activities and Tours

	9.00am–1.00pm Engineering Green	Space, Defence and Advanced Technologies Flagship Explore the future of space, defence and advanced technologies through UniSQ's Space, Defence and Advanced Technologies Flagship. Discover how UniSQ researchers and industry partners are advancing Australia's space capability through innovations in rocketry, satellite technologies, hypersonics, advanced manufacturing and engineering. Visit the flagship to learn about world-leading research, emerging technologies, and the exciting study and career opportunities shaping the industries of tomorrow!
	10.00am, 11.00am Tours and Information Tent, Concourse	Tour the Centre for Future Materials Step into our cutting-edge labs, where we conduct revolutionary advanced materials and manufacturing research! UniSQ's Centre for Future Materials (CFM) is one of the country's largest and most innovative research centres and has an outstanding reputation for groundbreaking, industry-driven research. CFM Springfield hosts top-of-the-line materials synthesis and characterisation laboratories, in addition to a full-scale fire testing lab, and novel concrete 3D printing for resilient infrastructure.
	10.00am, 11.00am, 12.00pm Foyer, Building F	Engineering Research and Teaching Laboratories Tour Delve into engineering innovation with a guided tour of UniSQ's state-of-the-art Engineering Research and Teaching Labs. Discover cutting-edge technology, groundbreaking experiments, and the creativity driving progress in the field. Whether you're an aspiring engineer or simply curious, this tour offers a rare glimpse into the spaces where imagination meets invention.
	10.00am, 12.00pm B113, Building B	Creative Arts Studio Tour See our state-of-the-art studio facilities! Check out our Film, Music and Digital Design and performance spaces!
	11.30am–12.00pm Civil Concrete Labs, Building F	Concrete 3D Printing Live Demonstration Imagine buildings rising from the ground with unprecedented speed and precision, all thanks to the seamless fusion of concrete and advanced 3D printing technology. In this demo, we invite you to witness firsthand the transformative power of layer-by-layer construction, where imagination meets engineering to create structures of unparalleled strength and complexity.
	9.00am–1.00pm Engineering Green	Fizo the Robot Dog Meet our UniSQ-Boston Dynamics robot dog, Fizo! Inspired by nature yet crafted with state-of-the-art technology, this dynamic creation is a glimpse into the future. With its agility, intelligence, and adaptability, Fizo pushes the boundaries of what's possible in robotics application in our everyday lives.
	9.00am–1.00pm Flight Simulator, Building D	Flight Simulator Experience the thrill of flying a Boeing 737-800 aeroplane in our world-class replica aircraft cockpit. UniSQ is one of the only universities in the country to have both an Airbus and Boeing simulator and offer simulated flying experience in the first year of study!

9.00am–1.00pm
Library, Building A, Level 1

Careers Conversations

Visit the Career Conversations booth for a one-on-one, 10-minute session to get a taste for your future career options.
