What's on Toowoomba

General Activities, Information Sessions and Tours		
	9.30–10.00am 11.30am–12.00pm Function Centre, B Block	Early Entry and UniSQ Scholarships Find out more about the Early Entry process and UniSQ scholarships, including details about funding sources, eligibility criteria, along with tips and tricks for your application.
	10.00–10.30am Function Centre, B Block	University 101 Curious about what university is really like? Hear directly from current students as they share their perspectives on transitioning from high school, offer advice to help you thrive in your first year, and explore how to balance work, life and study. This relaxed session provides an honest and practical look at starting your journey at UniSQ.
	10.30–11.00am Function Centre, B Block	UniPrep Pathway for Years 10 to 12 This dynamic session will engage students in thinking about preparing for university. Students will gain insight into the UniPrep program, especially on how the pathway enables them to prepare for university, and gain many advantages including ATAR, QCE points, literacy requirements, and early offer into UniSQ degrees.
	12.00–12.30pm Function Centre, B Block	UniSQ Pathway Programs This session showcases College programs including pathway and award programs. This is ideal for Year 12 students who are not on an ATAR pathway or not sure if they will get their desired ATAR, need to meet course pre-requisite requirements, or would like to sample university study and earn a degree.
	12.00–12.30pm T125, T Block	Living on Campus Join this session to learn about accommodation at UniSQ Toowoomba, from the events and activities, to our comprehensive support team, accommodation scholarships, and all-inclusive pricing. Learn how on-campus accommodation is a key part of the university experience.
	9.00am–1.00pm The Quad	First Nations Portfolio The First Nations Portfolio encourages and supports the further education of our Aboriginal and Torres Strait Islander community. The portfolio has a continuing commitment to, and involvement in, the Indigenous community of the region. Discover the wide range of support services available to students.
	9.00am–1.00pm (every 15 minutes) Tours and Information Tent, Quad	Campus Tours Take a guided tour of UniSQ Toowoomba and see the facilities available to current students. Tours will be led by Student Ambassadors who can tell you more about what it's like to study at UniSQ!
	9.00am–1.00pm R104, R Block	Tour the Library Makerspace This is the place for hands-on making with 3D printing, electronics, and more!
	9.00am–1.00pm Level 3, R Block	Library Tours (on demand) Visit our friendly staff at the Library Helpdesk.

General Activities, Information Sessions and Tours (continued)

	Buses departing every 15 minutes from 9.30am. Last tour departing 12.15pm. Campus Bus Stop, outside B Block	Residential College Tours Join our Residential Leaders and explore any of our three residential colleges. Each tour takes approximately 30 minutes. Unsure which one might be right for you? Chat to the friendly team in the Refectory.

Study Area Information Sessions

Learn about the programs offered in each of our Study Areas. Academics will take you through how the programs are delivered, what you'll learn and the career opportunities they can provide.

9.15–9.45am W204, W Block	Medical Sciences
9.30–10.00am T125, T Block	Agriculture and Environment
9.30–10.00am T122, T Block	Nursing
9.30–10.00am Z129, Z Block	Science
9.30–10.00am Q172, Q Block	Physiotherapy
10.00–10.30am W414, W Block	Occupational Therapy
10.00–10.30am T122, T Block	Business
10.00–10.30am Q172, Q Block	Exercise and Sport Science
10.00–10.30am T125, T Block	Education
10.00–10.30am Z129, Z Block	Computing
10.30–11.00am T125, T Block	Humanities
10.30–11.00am T122, T Block	Law
10.30–11.00am Z129, Z Block	Engineering

Study Area Information Sessions (continued)

11.00–11.30am T125, T Block	Creative Arts
11.00–11.30am T122, T Block	Professional Communication
11.00–11.30am W414, W Block	Social Work and Skillshare Studio Tour
11.00–11.30am Z129, Z Block	Careers in Space
11.30am–12.00pm T122, T Block	Aviation
11.30am–12.00pm Z129, Z Block	Galactic Collisions
11.30am–12.00pm T125, T Block	Education
11.30am–12.00pm W414, W Block	Speech Pathology
12.00–12.30pm T122, T Block	Nursing

Activities

9.00am–1.00pm Quad	Agriculture and Environment Flagship Pursue your passion for agriculture and the environment through UniSQ's Agriculture and Environment Flagship. This degree focuses on teaching and research in agriculture, crop health, natural resource management, environment, wildlife, and climate sciences. Discover how we're developing solutions to society's major agricultural and environmental issues and the opportunities available for you.
9.00am–1.00pm Quad	Wildlife Encounters: Explore Wildlife Management at UniSQ Get up close with native wildlife in this hands-on, interactive experience, while discovering how UniSQ's Wildlife Management major prepares you for careers in wildlife care, conservation and environmental management. Chat with staff about real-world learning, fieldwork opportunities, and how a passion for wildlife can turn into a meaningful career.
9.00am–1.00pm Engineering Green	Space, Defence and Advanced Technologies Flagship Explore the future of space, defence and advanced technologies through UniSQ's Space, Defence and Advanced Technologies Flagship. Discover how UniSQ researchers and industry partners are advancing Australia's space capability through innovations in rocketry, satellite technologies, hypersonics, advanced manufacturing and engineering. Visit the flagship to learn about world-leading research, emerging technologies, and the exciting study and career opportunities shaping the industries of tomorrow!

Activities (continued)	
9.00am–1.00pm Quad	Fizo the Robot Dog Meet our UniSQ-Boston Dynamics robot dog, Fizo! Inspired by nature yet crafted with state-of-the-art technology, this dynamic creation is a glimpse into the future. With its agility, intelligence, and adaptability, Fizo pushes the boundaries of what's possible in robotics application in our everyday lives.
9.00am–1.00pm Engineering Green	Solar Telescope Observing the sun's burning face safely through specially designed telescopes is a fascinating experience. Our expert astronomers can provide a unique daytime viewing of the sun, and answer your study questions around science and astronomy at UniSQ.
9.00am–1.00pm Flight Simulator, C Block	Flight Simulator Experience the thrill of flying an A320 Airliner in our world-class replica aircraft cockpit. UniSQ is one of the only universities in the country to have both an Airbus and Boeing simulator and offer simulated flying experience in the first year of study!
9.00am–1.00pm The Quad	Communities and Regional Development Flagship Would you like to make a difference in your community or region? Visit us to discover how your curiosity and passions can turn into a research career tackling real-world challenges. Explore hands-on activities and real research outcomes, from heritage mapping with drones, to creative arts projects and research supporting drought resilience for farming communities. See how research shapes stronger, more vibrant communities.
9.00–9.45am 10.00–10.45am 11.00–11.45am Tours and Information Tent, Quad	Photography and Influence Get a taste of this powerful visual language on a guided photo walk around UniSQ's Japanese Garden. Bring your mobile phone camera or your DSLR.
9.30–10.30am Arts Theatre, A Block	Theatre Making – Intro to Boal Join us for a fun and enlightening workshop inspired by Augusto Boal's Theatre of the Oppressed. Using Boal's games for actors, this session will introduce ways that theatre can be harnessed as a vehicle for generating social change and showcase the Theatre Making major in the Bachelor of Theatre.
10.00–10.45am Level 2, W Block Meeting point outside Australia Post, G Block	Dispense Your Future: Explore Pharmacy at UniSQ Explore the world of pharmacy through this interactive experience designed to introduce you to the profession and your pathway at UniSQ. Take part in hands-on activities in our teaching laboratories and learn how our pharmacy program prepares students for real-world practice. Hear from academic staff about what you'll study, career opportunities, and how you can begin your journey towards becoming a pharmacist. Register via the following link: https://unisq.eventsair.com/unisq-open-day-toowoomba-medicine-pathway-pharmacy-experience/2026medand-pharmacyexp/Site/Register Pre-registration required. Spots are limited.
10.00–10.20am 12.00–12.20pm R120, Student Lounge	The Art of Haiku (Japanese Poetry) Participants will learn the basic principles behind haiku before writing their own in response to a creative prompt!

Activities (continued)	
9.00am–1.00pm The Quad	Lights, Camera, Action! See the Bachelor of Film and Screen Production in action!
11.00am–12.00pm Level 2, W Block Meeting point outside Australia Post, G Block	Scrub In: Your Future in Medicine at UniSQ Step into the world of medicine through this interactive experience designed to give you a practical introduction to UniSQ's Medicine Pathway. Take part in hands-on clinical skills activities in our teaching laboratories and learn how you can begin your journey towards becoming a doctor. Hear from academic staff and current students about pathways, preparation, and what studying medicine at UniSQ is really like. Register via the following link: https://unisq.eventsair.com/unisq-open-day-toowoomba-medicine-pathway-pharmacy-experience/2026medand-pharmacyexp/Site/Register Pre-registration required. Spots are limited.
11.30am–12.30pm Arts Theatre, A Block	Experience UniSQ Acting Step into acting and learn how to make bold choices, trust your instincts, and perform with confidence. Grounded in real technique, this fast-paced session helps you build authentic, connected, and dynamic performances.

Tours	
9.00am–1.00pm R104, R Block	Library Makerspace This is the place for hands-on making with 3D printing, electronics, and more!
9.00am–1.00pm (on demand) A Block Gallery Foyer	Visual Art Studio Prospective students can meet the Visual Art staff in the A Block Foyer Gallery and visit the Printmaking, Painting, Drawing, Ceramics and Sculpture studios to see students at work and gain insight into the facilities available for creative study.
9.15am–1.00pm (every 30 minutes) Tours and Information Tent, Quad	Nursing Labs and Simulated Hospital Wards Experience a state-of-the-art environment to simulate real healthcare scenarios. Using the latest technology, you will develop key clinical skills, such as patient assessments and advanced interventions, while applying theory to practice under expert guidance.
9.45am, 10.45am, 11.45am Z Block Gallery Foyer	Engineering Research and Teaching Laboratories Delve into engineering innovation with a guided tour of UniSQ's state-of-the-art Engineering Research and Teaching Labs. Discover cutting-edge technology, groundbreaking experiments, and the creativity driving progress in the field. Whether you're an aspiring engineer or simply curious, this tour offers a rare glimpse into the spaces where imagination meets invention.
Tours departing 9.30am, 10.30am and 11.30am. (40 minutes including travel) Campus Bus Stop, outside B Block	Research Centre for Crop Health Come along and meet UniSQ researchers and lecturers who deliver world-class research to support healthy crops, improved food security and on-farm profitability. This tour includes a walk through the facilities of the Institute for Agriculture, Climate and the Environment, showcasing our state-of-the-art laboratories, a PlantEye 3D Multispectral Scanner, and experimental glasshouses. Visitors will learn about projects in molecular biology and agricultural microbiology with a strong focus on crop health.

Tours (continued)	
Tours departing 9.45am, 10.45am and 11.45am. (40 minutes including travel) Campus Bus Stop, outside B Block	Research Centre for Future Materials Step into our cutting-edge labs, where we conduct revolutionary advanced composite materials and manufacturing research! UniSQ's Centre for Future Materials (CFM) is one of the country's largest and most innovative research centres and has an outstanding reputation for groundbreaking, industry-driven research. CFM's mission is to pioneer design, manufacturing, and testing solutions to support aerospace and defence, resilient infrastructure, sustainable industry design, biomedical devices, and clean energy.
Tours departing 10.00am, 11.00am and 12.00pm. (40 minutes including travel) Campus Bus Stop, outside B Block	Research Centre for Agricultural Engineering Step inside UniSQ's Centre for Agricultural Engineering and explore where innovation meets agriculture. This tour showcases cutting-edge facilities and research focused on AgTech adoption, robotics and automation, smart sensing, irrigation and water management, precision farming systems and bioresources management. Discover how our researchers are developing practical, industry-driven solutions to real-world challenges in agriculture and environmental management.
10.00–10.30am 11.00–11.30am 12.00–12.30pm Q Block Foyer	Archaeology Lab Tour the UniSQ Archaeology Lab with demonstrations, assemblages, and specimens.

Interview Today For an Early Offer in Visual Art

Staff will be conducting interviews with Bachelor of Visual Art (BVSA) candidates to discuss their current practice and career goals, with a view to providing candidates with an offer into the program for Trimester 1, 2027. No ATAR? No problem! Ask us about our alternate entry pathways. Come tour the studios, meet the staff, and secure your place in the BVSA today!

Register for an interview via the following link: <https://www.unisq.edu.au/study/apply/entry-requirements/auditions-and-interviews>

*Please note: offers are subject to the fulfilment of additional requirements where applicable. Offer dates are to be determined. Year 12 students seeking early entry are required to provide additional information as required for the Early Entry application.

9.00am–1.00pm
Gallery Foyer, A Block

Careers Conversations

Visit the Career Conversations booth for a one-on-one, 10-minute session to get a taste for your future career options.

9.00am–1.00pm
Refectory, R Block
