Service Interruption – Toowoomba Campus

Q Block Lift

Due to critical repair work on the Q Block lift, there will be disruption to lift access as listed below:

Dates of Interruption	Areas Affected	Time of Interruption
7th – 14th November 2025	Q Block Lift all levels	Ongoing

Unfortunately, Levels 2, 3, and 5 will be inaccessible to individuals with mobility challenges during this period. However, alternative access to Q Block Level 4 is available via the Level 4 T Block lift and overhead walkway T427.
