COLLEGE ACTIVITIES

McGregor College

■ **Rags to Riches** dinner dance held last Friday, 18 May was a highly successful event as more than 200 residents and guests attended. We wish to thank all who contributed in making this evening an enjoyable one.

PS: Looks like the RSA photographer has a busy time on evenings such as this. Please view the notice board in the dining hall to see if you have featured. We are led to believe that the negatives are available - at a price!

■ Red Cross Appeal

Some 33 McGregorites participated in the annual Red Cross appeal on Sunday last (20.5.90) between 9 am - 12 noon. Approximately \$2000 was raised by their collectors and Colleges take pleasure in acknowledging the community spirit of these residents for their participation in such a worthwhile cause. Special thanks to Jennifer Bowman for organizing this project. For those who took part Colleges will express their appreciation in a more tangible form at a small social gathering to be organised early next semester.

CONCANNON COLLEGE

Concannon Semi-formal was held last Saturday (19.5.90) in the Steele Rudd dining hall. Bishop Kelly along with members of the Concannon College Council were in attendance. Approximately 120 residents and their guests enjoyed a very tasty dinner which was followed by a very spirited evening of dancing. The College raffle that was drawn at this dinner was won by Mark Hynes. Second prize went to Paul Gaullirtch.

In his address at the Concannon College semi-formal, Bishop Kelly focussed on the importance of a college spirit; for residents to be involved in the College community and to observe mutual respect and consideration for one another.

STEELE RUDD COLLEGE:

Bush Dance (Saturday, 12.5.90).

Forget aerobics - the Steele Rudd Bush Dance was a chance for some physical exercise and fun. However, the RSA hoped there would have been more participants. The night was topped off with a bonfire and stories about spirits and supernatural happenings.

Students in Steele Rudd appreciate the installation of phones in all blocks and are now awaiting with great anticipation for arrival of the drink machine. The RSA wish to thank John Endermann for his efforts in organizing this.
