To conclude the activities an Inter College BBQ has been proposed for Sunday August 18 at which prizes and trophies would be presented. However, at this stage nothing has been finalized and residents of Colleges are invited to discuss among themselves, at block meetings and at RSA meetings, activities to be incorporated in this competition.

COLLEGE TUTORIAL PROGRAMME

Please note that the tutorial programme of Colleges for Semester 1 will conclude on Thursday June 6.

EXAMINATIONS

In keeping with past practices, Colleges will provide tea, coffee, milk etc. for "coffee breaks" during the examination period (10/6/91 - 21/6/91). Generally, these refreshments can be picked up and replenished on a daily basis by a representative from each block contacting the kitchen staff in the respective Colleges.

VACATION ACCOMMODATION

Reminder that applications and payment for accommodation during the inter semester recess (23/6/91 - 7/7/91) **must** be finalized with the Warden's Office by **Monday June 3**. Applications can be obtained from the Warden's Office.

Please note: During this inter semester recess meals may not be scheduled to take place in all three Colleges. As such, residents remaining in College during this period will be required to present their room key to kitchen staff at all meals.

NOTICE OF VACANCY

Residents not intending to return to College following the inter semester vacation are requested to notify the Warden's Office (Daryl Krause) as soon as possible. Your co-operation in this matter would be greatly appreciated as it will enable us to be of assistance to students who are waiting for a place in College.
