- The annual College "Talent Quest" will take place on Saturday August 31 (7pm-9pm) in the dining hall. Blocks are invited to prepare an act/item for this event. Following the "Talent Quest" a College social will be held and suggestions are invited regarding the theme for this event.
- A brunch has been arranged for Sunday morning September 1 (10.30am). However, residents wishing to have a normal breakfast and lunch may do so by eating at one of the other Colleges. Following the brunch the Davis Cup will be run. First year students have been asked to conduct this event.
- Colleges and the RSA wish to thank all the volunteers who assisted in the Heart Foundation Appeal on Sunday July 28. The organizers of this Appeal have expressed their appreciation and thanks for the commendable effort of the 52 residents who participated.

### *Concannon:*

- Colleges and RSA extend their appreciation to the Race Day Committee for a very successful Race Day Weekend. A sincere thank you to all residents who assisted in making this weekend so successful. Special thanks to the students who decorated the hall for the Race Day Dinner held on Saturday evening (August 3). Many thanks to Tony Barron who gave so much time in organizing the dance on the Saturday evening and the Sunday morning brunch (August 4).

As the Race Day dinner was the first meal to be taken in the new "Bishop Edward Kelly Dining Hall", it was an appropriate and opportune time for the Concannon Council and residents (past and present) to honour Bishop Kelly for his efforts and foresight which enabled the establishment of Concannon College. It was also gratifying that the first Chairman of Concannon Council, Brother Purcell, could be present. Brother Purcell extends his thanks and gratitude to the Council and to residents for their kind donations which will be put to good use on his return to Sudan.

- Residents of Concannon College wish to thank the residents of Steele Rudd for their hospitality in enabling them to take their meals in Steele Rudd College for the past two weeks.

## RESIDENT FELLOW INTERVIEWS

Within the next week, the second set of formal interviews between Resident Fellows and individual residents will have been completed. Residents are invited to take this opportunity to discuss issues pertaining to your academic progress and to indicate any areas where you would like Colleges to consider providing tutorial assistance.

## TUTORIAL PROGRAMME

It is intended that College based tutorial programme for semester two will commence from Monday August 19. If you are experiencing difficulties with any unit or discipline please contact your Resident Fellow. In submitting requests for tutorials to your Resident Fellow, please include the unit name, unit number and preferred tutor if possible.

These tutorials will be conducted by University staff and will be held from 7pm to 9pm (Mondays to Thursdays) in Colleges. Residents and non residents are welcome to attend.

## NEW RESIDENT

Colleges would like to welcome Chun To Jessi Ng to McGregor College, Room C8.

## VACATION ACCOMMODATION
