

WORLD SOIL DAY COMPETITION

WIN a \$5,000 prize package to help solve your soil-based problem!

WHO SHOULD ENTER

- *Primary producers, Landcare groups, First Nations groups or high school agriculture classes*
- *With a soil-based problem limiting your potential*
- *In southern QLD | northern NSW*

PRIZE POOL | \$15,000

3 prizes each worth \$5,000:

- *site visit by the SQNSW Innovation Hub's Regional Soil Coordinator (a Registered Soil Practitioner)*
- *soil sample collection and analysis at an ASPAC accredited laboratory*
- *result interpretation.*

TALK SOILS

REGIONAL SOIL COORDINATOR

Cameron Leckie | cameron.leckie@unisq.edu.au

HOW TO ENTER

Create a public social media post (on Facebook, LinkedIn, Instagram or X) or send an email to sqnnswhub@unisq.edu.au between 5 November–4 December 2025 that:

- *highlights the importance of soil health to managing for drought and climatic extremes*
- *tags in the SQNSW Innovation Hub and uses the #soil hash tag (on socials)*
- *and other details as noted in the full Terms & Conditions.*
