## Undergraduate Research Scholarship Program

### APPLICATION FORM

#### ELIGIBILITY CRITERIA

**Please note:** There may be projects where the above criteria have been modified as these projects are part of large research grants. Any changes will be noted on the projects themselves and will be located just before the project description section for each project.

You must be:

- enrolled in a HES or BELA undergraduate program (TPP students are not eligible for these scholarships);
- have completed at least 8 units of study but have **not** completed all units of study in their program (i.e., students who are eligible to graduate are **not** able to apply for this scholarship);
- are studying in a program relevant to the selected research project/s;
- have a high level of academic achievement as indicated by a GPA of 5.5 or above; For and
- have an interest in undertaking postgraduate HDR studies (PhD or masters).

**If you have completed all the courses in your undergraduate program and are eligible to graduate, you are not able to apply for this scholarship.**

#### SELECTION

Selection will be based on academic merit, reasons for wanting to participate in the study, and project availability.
