Professional accreditation

The Bachelor of Laws has been accredited by the [Legal Practitioners Admissions Board, Queensland](#), and the Chief Justice of the Supreme Court of Queensland as an approved academic qualification under the *Supreme Court (Admission) Rules 2004* (Qld). This will partially satisfy the requirements to practise as a solicitor or barrister in Queensland, or as a legal practitioner elsewhere in Australia. Intending solicitors and barristers must also complete an approved practical legal training course in order to become admitted to practise law. UniSQ does not offer practical legal training, but advice on practical legal training programs can be obtained through [Ask UniSQ](#).

Accounting major graduates will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand](#) (CAANZ). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

Successful completion of the Accounting major can qualify students for exemptions from the Fundamental level (9 papers) of the [Association of Chartered Certified Accountants](#) (ACCA) exams. For further details please refer to the ACCA website.

Finance major graduates will meet the educational entrance requirements to become a member of the [Financial Services Institute of Australasia \(Finsia\)](#).

The Information Technology Management major is accredited at professional level by the [Australian Computer Society](#) and, through the Seoul Accord, is recognised in other countries.
