**Program fees**

**Domestic full fee paying place**
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Schedule.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-HELP.

**International full fee paying place**
International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, external or online. Students are able to calculate the fees for a particular course via the Course Fee Schedules.

**Program structure**
The PGAL is a 4-unit program. A student must complete four units at postgraduate level (level 5 or level 8), three required units and one elective unit. A minimum of 50% of the program (2 units) must comprise level 8 courses.

**IT requirements**
Students must have reliable and ready access to email and the Internet. Broadband would be a significant advantage. See minimum computing standards for more information.

**Articulation**
The PGAL articulates into the Master of Applied Linguistics, Master of Education (TESOL).
Credit
The maximum credit granted will be no more than half of the program units (two units). Within this limit, credit will be granted for relevant studies successfully completed at postgraduate level in the last five years and may be considered for studies successfully completed in the last 10 years. Students intending to apply for credit should follow the guidelines for credit for previous study or work. Within the framework of those regulations, the following points should be given particular consideration:

- Transfer of credit from other incomplete UniSQ award programs may be permitted where there is similar or appropriate content.
- Normally an accredited Certificate in TESOL from a recognised institution attracts one unit of credit and an accredited Diploma in TESOL attracts two units of credit.
- Completed and assessed professional development modules based on PGAL course materials may attract credit into the program.

Students should contact the Faculty of Business, Education, Law and Arts for advice before applying for credit.

Enrolment
Students may commence this Program in semesters one, two or three. External students may study either part-time or full-time. On-campus commencement is restricted to semester one. International on-campus students must be enrolled full-time.

Recommended enrolment pattern
It is recommended that the program of study commences with the core course LIN5000.

Note: On campus offers are contingent upon sufficient enrolments. Subject to International students’ visa requirements, alternative modes of EXT or ONL may be substituted for the discipline course.
